EVENING PROGRAM - let's have some fun!

The organizing team has prepared different moments for you to socialize and network in a less formal way.

- **28th of September:** for the people that will arrive in Budapest one day before the conference, we propose a informal gathering to get to know each other in front of some drinks, before starting the serious stuff!

We will meet in a community and social centre called “Auróra” (Auróra u. 11, 1084 Budapest) at 9 p.m.

- **29th and 30th September:** after the long conference days, we have arranged for you a special moment to relax and share some nice time with each other!

We will go together to Art Quarter Budapest (Nagytétényi út 48-50,1222), a wonderful cultural and art space, where we could regain some energy with a dinner, visit exhibitions, and continue the evening with drink and music.
